Go-Anywhere Commode, Shower 'N Tub Chair (CST)

PRODUCT DESCRIPTION

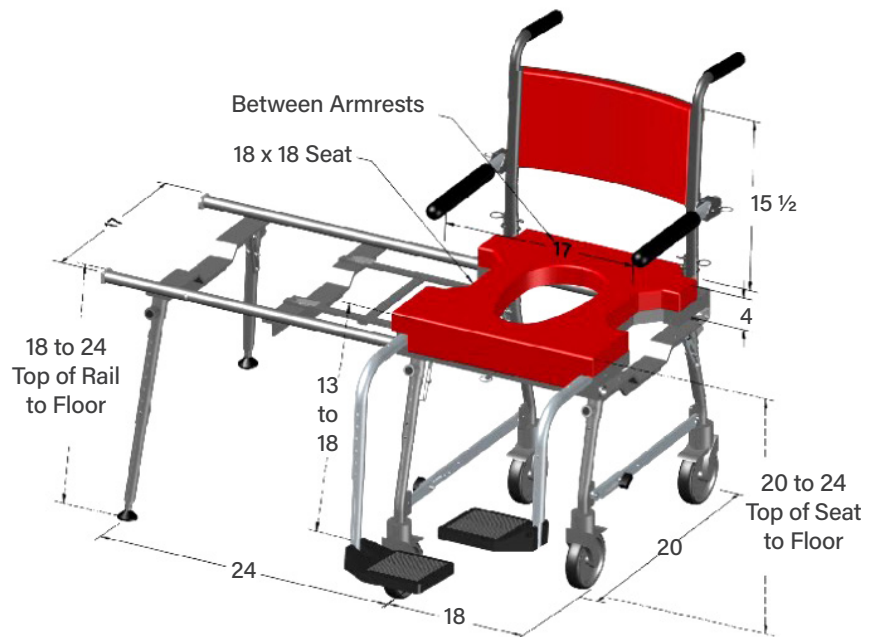

The GO-Anywhere portable Commode, Shower 'n Tub Chair® is a portable folding commode shower chair that consists of two sections: The rolling section has four, 5"-diameter casters, which enables its occupant to be wheeled from his or her bed to the toilet and into a roll-in shower. Where a roll-in shower is unavailable, the rolling section of the fixed Tub Slider can fit in most bathtubs,

enabling the user to, safely and easily, slide into the bathtub and into a position beneath a shower head. This portable folding commode shower chair is designed to work in both left- and right-handed tubs.

SPECIFICATIONS

- Collapsed in carrying case
- Dimensions: 22" x 21" x 13"
- Weight = 33 lbs + 10 lb carrying case
- Weight-bearing capacity = 200 lbs maximum

PRODUCT DESCRIPTION

Like the GO-Anywhere CS-A, the SP-A is a rolling commode shower chair designed for use in a roll-in shower. It has a one-of-a-kind, 3-way ADJUSTABLE seat back with a backrest that may be slid up or down and moved forward or back. The seat back may be reclined from a vertical 90-degree position to a

nearly horizontal one. The SP-A comes standard with adjustable footrests which may be moved closer or further away from the seat, up or down and it may bend at the "knee." Heel Straps are adjustable for small and large feet. A 2-way Adjustable Headrest and a Calf Strap are included as standard features as well.

The GO-Anywhere SP-A is ideal for pediatrics as it is designed to "grow" with a child. The seat depth may be expanded and the backrest height raised as a child grows, eliminating the expense of having to purchase larger chairs as he or she grows to adult size.
