

APEX HEADRESTS

Premium headrest pads
for plush head support

 mobility
 product award 2020

VOTED BEST HEAD POSITIONING FOR 2020

Apex Headrests are a new line of plush wheelchair headrests available in a variety of colours and sizes. With a streamlined and unique design, Apex Headrests provide a stylish head support while eliminating zippers and Velcro. A variety of covers are available to meet the needs of different users.

The aluminum shell is lightweight, durable and can be contoured to give the desired support. Constructed from the highest-quality materials, Apex Headrests provide wheelchair users with an effective and stylish head support. Available in black, blue, red, purple or pink.
